

## Key Stage 3: To infinity and beyond?

All inquisitive geographers go beyond what is expected of them to go that extra mile with their learning! Why not go that extra mile and take up the challenge of competing one of the tasks below. Hand it into your geographer teacher!

<p>Watch a youtube video or a film that is geography related (you can see your teacher for this!) and review it.</p> <p>To do this you will need to summarise what the film was about, if you enjoyed it and why? And don't forget to list the geography!</p> <p>Think also about how you will present this!</p>	<p>Write a poem to reflect some enjoyable geography you have learned.</p>	<p>Write an article for the school's newsletter describing the geography you are studying or have studied.</p>
	<p>Design a news flash to summarise one example of geography in the news. Don't forget to include the title of the article, source, author and date.</p> <p>You can be as creative as you like!</p>	<p>Design an advert for a website promoting travel to a country you are studying or have studied or you would like to visit. You will need to some location using map skills, pictures, and interesting geographical facts.</p> <p>Extra challenge link the geographical content to a topic you are studying or have studied!</p>
<p>Write three open-ended questions about the geography you are currently studying.</p>	<p>Visit The Higgins Museum in Bedford and list examples of the physical and human geography you can find there.</p>	<p>Write an essay to compare how your life to someone in another country.</p>
<p>Design a model to represent anything reacted to the geography you are studying.</p> <p>You will need to include labels, annotations and a title.</p>	<p>Draw a fieldsketch of the River Ouse in Bedford. You will need:</p> <p>To select the best site along the river to sketch and say way.</p> <p>You will need to include, date, time and weather conditions on your sketch.</p> <p>Finally don't forget labels and annotations.</p>	<p>You will need to list the geography will compare for example, climate, jobs, population...</p> <p>Your essay should contain excellent SPaG with specialist terms.</p>
<p>Write three tweets that reflect the geography you are studying.</p>	<p>Interview someone who has lived in your town for a long time and describe how and why this place has changed.</p>	<p>Make a song to summarise the topic you are studying. Don't forget to use as many key terms as possible.</p>
