

Drawing Elements – Year 7 Autumn Term

In this topic students will be required to learn the basics skills that strengthen accuracy in drawing.

You will be developing skills such as:

- The grid method
- Scaling up
- Observational drawing
- Working with a range of tonal materials
- Negative space drawing
- Timed drawings
- Mark making
- Creating shades of colours and hues with colouring pencils

The Animal Project – Year 7 Spring and Summer Terms

In this topic students will be using key skills learned in the drawing elements project and applying these in order to produce studies of animals.

You will be working on:

- Tonal drawing/mark making
- Colouring pencils
- Paint
- Clay

You will be researching:

- Aboriginal artwork, leading on to the development of your final clay piece
