

2013-14 PE and Sport Premium Report

The Government is spending over £450 million on improving physical education (PE) and sport for primary age children over the three academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016 and are allocating this extra funding directly to schools. Schools can choose how they use the funding.

1. OUR FUNDING ALLOCATION

For the academic year 2013 to 2014, Goldington Academy received a PE and Sport Premium funding allocation of £9,680. Of this, we carried forward £2,350 to support the purchase of iPads in September 2014.

Our primary objectives for utilising this funding were to:

- impact on pupils' PE and sport participation and attainment and to help to ensure that all pupils develop healthy lifestyles;
- ensure PE provision throughout the school is consistently good;
- improve our provision of PE and sport and broaden the sporting opportunities and experiences available to all pupils;
- support teachers in delivering consistently good PE lessons;
- develop a love of sport and physical activity.

2. HOW WE USED THE FUNDING

At Goldington Academy, we have used our allocated funding in the following ways:

- **Staffing** **£3,132**
80% of all Year 5 and 6 pupils are taught for two lessons per week by a qualified PE specialist.
- **Development of PE and Sports Equipment** **£3,748**
The Key Stage 2 curriculum for PE and Sport has been enriched through the purchase of new equipment. Children have had access to a broader range of PE and sports equipment, which has increased sporting opportunities and experiences. It has also enabled teachers to facilitate high quality PE lessons and competitive sports. The resources/equipment purchased supported football, athletics, rugby and Multi Skills.
- **Support from Bedford and Kempston SSP** **£450**
Provision of CPD, competitive and networking opportunities. Additional provision of specialist coaches.

Goldington Academy is a Company Limited by Guarantee registered in England and Wales. Company No. 07557785
