Dear Parents/carers

This week's suggested session is:

'What Parents need to know About Gaming Streamers & Influencers':

<https://nationalonlinesafety.com/hub/view/guide/gaming-streamers-influencers>

In this guide, you'll find tips on a number of potential risks such as adult content, online bullying and online purchases.

In order to access the links, you need to have first registered for your account.

Please find below the URL you will need. Complete your details and select "I am a: Parent/Carer" from the dropdown: <http://nationalonlinesafety.com/enrol/goldington-academy>

Once you have registered, you will be able to access the "Online Safety for Parents and Carers" course and National Online Safety's Resources (which includes a wide range of online platform guides on the latest social media channels and games). This aims to help empower parents with the knowledge to protect their children from the dangers of the internet.

If you have any questions, or trouble accessing the course please contact support@nationalonlinesafety.com.

We hope you will find this useful.

Yours faithfully
