

26 June 2020

Dear parent/carer,

We have been absolutely delighted with the return of the Year 10 cohort to partial schooling. Our safety measures have worked well and it has been a pleasure seeing the pupils engaging in some quality interactions with their teachers.

Consequently, we have decided to increase our provision between now and the end of term.

From Monday 29 June, the lessons will be three hours long as opposed to the current two hours, so please expect your child home a little later than usual; lessons will end at 12pm. We will allow for a fifteen minute break, so you may like to send your child in with a healthy snack and something to drink.

Additionally, we are adding some lessons on a Friday in the following subjects: art, music, dance, PE, enterprise, drama, health and social care. Please make a note of the dates that are relevant to your child and whether it is a morning or afternoon session. In order to keep the class sizes small, groups have been organized according to surname, so please make sure your child attends the relevant session. No classroom will be used twice in one day to maintain standards of hygiene.

For a small number of children there may be a conflict. Where this is the case, please encourage your child to attend the lesson which they feel will be most beneficial to them and to email the appropriate teacher should they be unable to attend. If, in the meantime, you have any queries, please feel free to contact me directly. rossj@goldington.beds.sch.uk

Yours sincerely,
