

# Animals –Year 7

## Autumn-Spring Term

---

In this topic students will be required to learn the basics skills that strengthen accuracy in drawing and applying these skills to wonderful animal studies.

You will be developing skills such as:

- The grid method
- Scaling up
- Observational drawing
- Working with a range of tonal materials
- Timed drawings
- Mark making
- Creating shades of colours and hues with colouring pencils
- Aboriginal artist research
- Aboriginal inspired clay tile

# African Art – Year 7

## Spring and Summer

## Terms

---

In this topic students will be using key technical skills practised so far in year Seven and encouraged to experiment with materials in order to work on a large-scale piece of work based on African art.

You will be working on:

- Tonal drawing
- Mark making
- Pattern design inspired by Kente an Mudcloth design
- African mask research
