Dear Parents, Pupils and Guardians

You will see on our website two documents from Ofqual which detail how Year 11 students will be awarded their GCSE results in 2020. Please take some time to read and understand these.

Please be assured that as a school we will be working very hard to ensure the Teacher Assessment judgements that we submit for your child are as accurate as possible and reflect the grade we believe your child would have gained if they had been taught the whole GCSE course.

You will see that the guidance relates to GCSE's only. When we have more detail about the Vocational subjects we will be in touch.

Yours sincerely

Francis Galbraith
Principal
