Dear Parents/Carers

As I am sure you are aware this part of town has a number of schools in close proximity. This means at the start and end of the day it can be very challenging with car parking. I regularly have complaints from residents about inconsiderate parking from a small minority, e.g. parking across driveways, which means residents cannot access their homes for a period of time.

If you do use your car for drop-off and pick-up, please may I ask that we work together to be mindful of our local residents and park responsibly at all times.

Thank you.

Yours sincerely

Francis Galbraith
