Dear Parents/Carer

### **New Website – Parents’ Evening Link**

Please be aware the Goldington Academy Website <https://www.goldington.beds.sch.uk/> has recently been upgraded and therefore the tabs for locating many of the useful links you are familiar with have moved.

To access the **Parents’ Evening portal** this can be found by clicking on the “Parents” tab at the far right of the screen, and then selecting “Parents Evening”. The process for booking appointments and logging on to your designated sessions remains the same.

You will also see that under the same “Parents” tab you can access “Bromcom”, “Go4Schools”, “Parentmail” and useful information under the “For Pupils and Parents” tab as well as other helpful links.

Yours sincerely

**Francis Galbraith**  
**Principal**
