Dear Parent/Carer

On Monday, 19 June, Goldington Academy will be celebrating World Day for Cultural Diversity.

This day was suggested by a Year 10 student, and we are keen to support their desire to promote the diversity and richness of different cultures of the world and in our school.

On this day, all students will experience a variety of learning opportunities and experiences that highlight the essential role of intercultural dialogue. Students from Years 7 – 9 will participate in lessons designed to develop their understanding of the values of cultural diversity.

Although this will be a normal school uniform day, students and staff are invited to wear traditional, recognised cultural dress should they wish to do so.

Yours sincerely

**Mrs L Chapman**  
**Vice Principal**
