

June 2023

Dear Parent/Carer

Pride month

June is Pride month for the LGBTQ+ community, and to celebrate and raise funds, Goldington Academy will be inviting children to come to school in mufti for a donation of £1.00 on Friday, 30 June.

Students who would like to wear Pride-themed accessories are welcome to do so. All proceeds donated will be divided between two LGBTQ+ charities: AKT and the LGBT Foundation.

We will also be holding a cake sale on the same day to raise money for these charities. If your child is interested in baking or buying cakes for this, we would really appreciate your contribution.

Please can you ensure that you do not include any nuts in your bakes so that we can ensure all allergies are managed throughout the event.

Thank you for your support.

Yours sincerely

Samuel Brown
