Dear Parent/Carer

I would like to invite you to attend our school production of 'Sister Act JR.' The show is taking place from 19 - 22 March 2024 and performances start at 7.30 pm. The cast and crew have been working incredibly hard since September, and I hope to see you there!

You can buy tickets via the link below. Please note that seats will be generally allocated, rather than seat numbers used and tickets are selling quickly, so book now to avoid disappointment.
