Dear Parent/Carer

We have been made aware that an unknown male has been loitering in the vicinity of the school at the end of the school day and has seemed to have followed some pupils on their journey home. Bedfordshire Police are aware of this and will be increasing their patrols in the area.

Please take this opportunity to remind your child(ren) to walk together or in groups to and from school where ever possible and report anything usual to yourself or the school as soon as they can. Please remind your child(ren) not to stop to speak to anyone they do not know. Our school gates are staffed at the beginning and end of the school day, pupils can always return to the school if they feel unsafe at any time on their journey and we will help them.

Thank you for your continued support in helping to keep our students safe.

Kind regards

**School Office**  
**Goldington Academy**
