Further to our previous letter regarding exams and study leave that was sent to you at the end of April, we would like to provide you with some further information about additional revision sessions we will be able to offer prior to some key exams.

Firstly, all students have received a copy of the revision sessions that will be running over half term. As stated previously, students are legally on roll until the end of June, and we would strongly encourage them to come in for these additional lessons. Subject teachers will speak to those students that they feel must attend. However, if a parent or carer deems there to be exceptional reasons why their son/daughter should not attend one or more of these sessions, then please contact the school attendance officer, Miss R Sammut: sammutr@goldington.beds.sch.uk.

In addition to these sessions, all subject teachers will be available in their classrooms during their normal timetabled lessons should students want a quiet place to work at any point during the day, or if they are staying in school between morning and afternoon exams. Some departments are also offering breakfast and lunch revision sessions directly before the exam.

Students who attend any session in school after 24 May will be required to report to the school office to register their attendance on site, and if the session is during the school day, they will need to be in uniform.

Yours sincerely

Miss S Thomas
Assistant Head Teacher
