Dear Parent/Carer

Interim and Full Reports

Students receive two interim reports and a full report each academic year while they are at Goldington. Last year, we stopped printing and sending home paper reports, unless they were specifically requested. Reports are now available in electronic format. Year 7 – 9 reports can be viewed via the SIMS Parent app. Year 10 – 11 reports are available on Go 4 Schools. The first reports for this academic year will have already been published for Year 11 and Year 7 – 10 will be available just before the Christmas holidays.

This correspondence is to provide you with information at this point, so you have ample time to access the SIMS or Go 4 Schools applications, and we can help you to resolve any technical issues you may experience. Many of you will not need to do anything as your accounts from last year should still be active. However, it would be useful to check before reports are published.

Year 7 – 9

The majority of parents already access the SIMS Parent app and have used it to submit or update pupil details.

Once the reports are published in December, you will see 'Reports' appear on the menu and the interim report will be available for you to view. We will send you a message via Parent Mail on the day the reports are published.

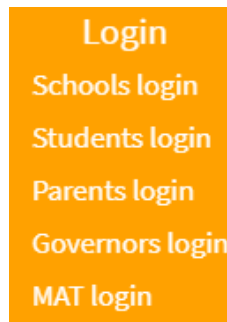

If you have not set up the SIMS Parent app yet, please email Mrs Spinelli (SIMS and Data Manager) spinellil@goldington.beds.sch.uk or Mrs Shad (Data Assistant) shads@goldington.beds.sch.uk to request an activation code.

Year 10 – 11

At Key Stage 4, we use an online system called Go 4 Schools to capture and analyse students' attainment and progress.

With Go 4 Schools, you will not only be able to view your child's interim and full reports, but you will also be able to see their timetable and attendance information.

To access the site, please go to www.go4schools.com and click on 'Parents login' at the top of the main page. The email address you use to enter the site must be the one we have registered for you on our school information management system.

Once you are on the 'Parent login' page of Go 4 Schools, please click on the 'First-time User' link, as shown below, if you are new to the system. Otherwise, just enter your email address and password and you will be able to access your account.

Once you have logged in as a parent, you will be able to see the name(s) of your children who attend Goldington Academy. Please note that Go 4 Schools is only available for Years 10 and 11 students: these are the only pupils who will have viewable reports on this website.

After the reports have been published, they are displayed as icons that can be used to open the PDF report. Any unread reports are highlighted as shown.
