

November 2023

Dear Parent/Carer

On Thursday, 16 November at 7.00 pm we will be hosting a “How I can help my child study at Key Stage 4?” evening. This will be in the main hall and will involve a combined presentation from myself and another member of the senior leadership team.

The presentation will last for approximately half an hour. There will be opportunities for questions as well. Please click on the link below to indicate how many seats you would like to reserve. We hope to see you there.
