

April 2024

Dear Parent/Carer

Year 11 Interim Report

Please find enclosed your child's final interim report which contains their most recent teacher assessment in each subject, along with their end of key stage target and predicted grade.

Target grades are aspirational and are based on your child's prior attainment.

Current grades indicate the grade at which your child's subject teacher feels they are currently working.

The **Predicted grade** is where the subject teacher feels your child is *most likely* to end up in the summer, with continued effort, hard work and independent study up to the point they sit their exam.

It is our hope that this report will enable you to have a constructive conversation with your child about which subjects they are feeling confident in and to help you to pinpoint those subjects where they will need to put in a little more work as they approach their exams.

The May half-term is an ideal opportunity to implement a substantial revision schedule. There are a number of resources in the Year 11 section of 'For pupil and parents' on the school website that students may find useful.

If you have any questions regarding this interim report, a list of all staff names is available on the website to contact by email: surnameinitial@goldington.beds.sch.uk e.g. galbraithf@goldington.beds.sch.uk.

I would like to take this opportunity to wish all our Year 11 students the best of luck in their forthcoming exams.

Yours sincerely

**Francis Galbraith
Principal**
