11 December 2024

Dear Parents/Carers

Due to the Year 11 mock exams our changing room areas will be out of use from Monday, 16 December until the end of Tuesday, 14 January 2025. As a result, when your child has a PE lesson between these dates, they will need to come to school in their PE kit on that particular day.

The weather may be cold and wet, so your child can wear plain black or navy tracksuit bottoms and a black or navy jumper over the top of their PE kit during this short period. No pupils should be coming into school wearing leggings or hoodies.

Thank you, in advance, for your support.

Yours sincerely

K Lodder/G Darvill
