Dear Parent/Carer

We have been made aware that an unknown male approached one of our students this morning on their way to school in the Queens Drive area.

Please take this opportunity to remind your child(ren) to walk together or in groups to and from school where ever possible and report anything unusual to yourself or the school as soon as they can. Please remind your child(ren) not to stop to speak to anyone they do not know. Our school gates are staffed at the beginning and end of the school day, pupils can always return to the school if they feel unsafe at any time on their journey and we will help them.

Thank you for your continued support in helping to keep our students safe.

Yours faithfully
