

15th November 2024

Dear Applicant

Just a quick reminder that the deadline for applications for a place at Kimberley College for 2025 entry is **Monday 2nd December 2024**. It is great to see so many of you have already started and submitted your applications!

We would like to reassure you that we are aware that many schools have a different approach to communicating your current and future grades and that some schools undertake Year 11 assessments/mocks at a time just before or even after the 2nd December application deadline. If you attend one of these schools do not panic! The grade sheet you need to upload to Applica to complete your application does not have to be the one linked to these assessments. Furthermore, there is the opportunity to update your grade sheet (or equivalent) via emailing admissions@wootton.beds.sch.uk on or before Monday 20th January 2025. The key message is that **you should not wait for a forthcoming grade sheet (or equivalent) before completing your application**. Please be aware applications received after 2nd December will be registered as late and your chances of getting a place at Kimberley College in 2025 will be at risk.

In the meantime, we have been busy putting together promotional materials for our college. We would like to share the most recent video which promotes one of the strengths of the college (STEM). Please click on the link [Kimberley Promotional Video](#). We will continue to be in touch with you throughout the year to promote other curriculum areas and opportunities to get involved with life at Kimberley College, including our forthcoming production of 'We Will Rock You'.

If you have any questions or queries about the application process, please visit our website under the 'prospective students' section or email admissions@wootton.beds.sch.uk.

Yours sincerely,

Kimberley College Admissions Team.
