

November 2024

Dear Parent/Carer

As part of the Year 11 careers programme, students will be completing **mock interviews** to help prepare them for future college or job interviews. These sessions are designed to develop their confidence and communication skills, which are essential for their next steps after school.

The mock interviews will take place on **Wednesday, 27** and **Thursday, 28 November**, in the Exhibition Space at school. Students will be made aware of their individual appointment times over the next week.

While students are not required to prepare anything, they are welcome to do so if they wish. The questions will focus on:

- Their personal interests, strengths and areas for improvement.
- Further to the standard questions they will be given the option to answer questions related to either further education (courses they are interested in) or the workplace (careers or industries they are considering).

In addition to their answers, students will also be assessed on their punctuality, organisation, appearance and speech/body language during the interviews.

If you have any further questions or would like to support by being an interviewer, please feel free to contact me at lucasa@goldington.beds.sch.uk.

Thank you for your continued support in helping our students prepare for their futures.

Yours sincerely

Mr A Lucas
