

November 2024

Dear Parent/Carer

I would like to offer you the opportunity to order revision materials for your child.

Tonight, your child will be coming home with an order form. You may have purchased some of these books, but if you would like to make an additional order, then please complete the order form and return it to the school office by **Friday, 22 November**. You will then be invoiced via the ParentMail app and all payments will need to be completed before the books are issued.

Where subject areas are not listed, the department has already purchased copies of the revision guides for each student for them to use, or there is not a revision guide for that subject available.

Please note any orders received after 22 November will not be processed.

Can I also remind you that there are plenty of resources that can help your child which are signposted on the school website under the 'For Pupils and Parents' tab (e.g. GCSE Pod, Maths Genie, BBC Teach etc).

Please note that if your child is eligible for Pupil Premium funding (Free School Meals at present or Free School Meals within the last 6 years or Previously/Looked After Child), you may be able to receive Pupil Premium funding towards the cost of revision materials. please contact Miss Andrews to discuss this further (andrewsv@goldington.beds.sch.uk).

Yours sincerely

Mrs L Chapman
Vice Principal
