

28 November 2024

Dear Parents/Carers

Message from NHS:

The NHS has organised a catch-up clinic to allow children who may have missed their routine vaccinations to receive them promptly.

The clinic will offer vaccinations for diseases such as measles, mumps, rubella, and other preventable illnesses. They are open to all eligible children without the need for prior booking—parents and carers can simply walk in at their convenience.

The clinic is scheduled to take place on the following date and time:

Saturday, 30 November at Church Lane Community Centre, 147 Church Lane, Goldington, Bedford, MK41 9PW - School Age (walk-in) between 10.00 am and 2.00 pm

We encourage parents and carers to check your child's red book to confirm which vaccinations your child may need, or refer to this link: <https://www.gov.uk/government/collections/vaccine-uptake> This is an excellent opportunity to ensure your child is fully protected.

Kind regards

Public Health Health Protection Team
