

October 2025

Dear Parents/Carers

As the weather becomes cooler and the playing fields wetter, we would like to remind all pupils to bring the appropriate footwear and protective equipment for outdoor games lessons and after-school sports clubs.

All field activities (not including the MUGA): Pupils must wear boots (*with the exception of after-school Running Club where you may wear trainers or spikes if you prefer*)

Football: Shin pads are required

Rugby: A mouth guard is required

These requirements apply to both timetabled lessons and any after-school sporting activities held on the field. Ensuring pupils are properly equipped helps maintain safety and allows them to participate fully in all sessions.

Yours sincerely

C Boston/K Lodder
