

4 May 2020

Dear parent/carer

On Thursday 7 May your child is invited to attend a 'virtual' Goldington Academy assembly. The theme for the assembly will be to commemorate the 75th Anniversary of Victory in Europe.

We will be delivering the assembly using the Zoom app. This is easy to download to an appropriate device and I recommend you do this the previous day. A link to the assembly will be sent via Showmyhomework early on Thursday morning. Your child will then need to log on and I will deliver the assembly. The times for the assembly will be:

9.00 am	Years 7 & 8
10.00 am	Years 9 & 10
11.00	Year 11

I understand that different households have different challenges when accessing and using technology at home. A link to the materials used for this assembly will also be made available on Thursday that will allow any students unable to access the assembly for any reason to still view to the materials.

Yours sincerely
