Rationale

Goldington Academy is committed to providing a caring, friendly and safe environment for all our pupils so that they can learn in a relaxed and secure atmosphere. Goldington Academy will take both pro-active and reactive in its approach to tackling bullying within the school community and the wider community.

At Goldington Academy, all stakeholders are responsible for creating an environment which promotes positive attitudes towards tolerance, respect and learning at all times. Every member of the community has the right to feel safe and respected; we all share a collective responsibility in ensuring that the rights of no one member of our community are abused at any time and all stakeholders have a shared responsibility to report bullying.

We recognise the individual needs of our students and endeavor to employ a wide range of strategies to enable our students to behave in a way that allows them to foster positive relationships with each other and to learn as effectively as possible. As part of our wider curriculum, students will be taught that bullying is unacceptable in all its forms and students will be made aware of the impact of bullying on victims. Students have a voice at all times and should feel that they are able to speak out against bullying whether it affects them directly or they aware that bullying is affecting other members of the school community.

The Policy forms an integral part of School Improvement, PHSCE and Safeguarding. The beliefs and ethos of the school underpin this and the Anti-Bullying Policy is discussed and reviewed on a regular basis.

What is Bullying?

Bullying is a form of child-on-child abuse and can be defined as "behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", July 2017)

- Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of child-on-child abuse. It can be emotionally abusive and can cause severe and adverse effects on children's emotional health.

Different types of bullying behaviour include:

Physical

- *e.g. pushing, kicking, hitting, pinching and any other forms of violence, threats*

Verbal

- Hurtful remarks regarding a person's physical appearance
- Hurtful remarks regarding a person's intelligence/interests etc

Social/ Emotional

- Emotional – tormenting, ridicule, humiliation, exclusion from groups/friendships
- Non-physical - look across a crowded classroom, gestures
- Literature and language – notes, name calling, graffiti, sarcasm, spreading rumours, persistent teasing

Cyber

- Inappropriate text and electronic messaging (including through websites, social networking sites and email)
- Sending offensive or degrading images by phone or via the internet (cyber bullying)

Sexual

- Sexual harassment or violence– unwanted physical contact or abusive comments
- Sexting
- Upskirting

Homophobic/Transphobic

- Homophobic/transphobic remarks, directed towards a person's sexual orientation

Prejudicial bullying (against people/pupils with protected characteristics):

- Bullying related to race/culture
- Religion
- Faith and belief and (for those without faith)
- Gender/sexual reassignment
- Sexual orientation
- Disability
- Pregnancy and maternity

Recognising victims

Bullies pick on vulnerable children. Some children are temporarily vulnerable because of a particular circumstance. Sometimes the victim is simply in the wrong place at the wrong time. Some children need help to become more assertive and learn strategies to enable them to avoid or deal with difficult situations.

Vulnerability isn't always visible to adults. The victim may seem exactly like any other child. He or she may also be anxious to cover up the fact that they are being bullied.

Victims may be pupils who:

- are new to the class or school
- are considered to have SEN (SEN students are particularly vulnerable to bullying and may not be able to report it effectively - staff should be particularly vigilant)
- are 'looked after'
- are 'previously looked after'
- Children for whom English is an additional language (EAL)
- are on the SEN register
- are considered Pupil Premium or Free School Meals
- are different in appearance, speech or background from other pupils
- suffer from low self-esteem (but this might be a cause or effect of bullying)
- are having difficulties with school work
- have suffered from bereavement
- are suffering emotionally due to difficult family circumstances
- have been bullied before
- are pregnant

The following are typical signs or behavioural patterns which may indicate that a child is being bullied – they may also indicate other kinds of distress, even abuse.

Children may:

- suffer depression
- have low self esteem
- be frightened of walking to or from school
- be unwilling to go to school and make continual excuses to avoid going
- change their route to school every day
- arrive late to school
- begin doing poorly in their school work
- truant
- regularly have clothes or books or schoolwork torn or destroyed
- come home hungry (avoids lunch queues, gives away or 'loses' dinner money)
- become withdrawn
- start hitting other children (as a reaction to being bullied)
- stop eating or become obsessively clean
- develop stomach aches or headaches due to stress
- cry themselves to sleep
- begin wetting the bed
- have nightmares
- have unexplained bruises, scratches or cuts
- have their possessions 'go missing' repeatedly
- ask for money or begin stealing (to pay the bully)
- continually 'lose' their pocket money
- refuse to say what's wrong
- give improbable excuses to explain any of the above
- threaten or attempt suicide

- be at increased risk of sexual and criminal exploitation
- be at increased risk of radicalisation

Actions to prevent bullying behaviour:

- A link Governor will be assigned to oversee the school's Anti-Bullying strategy and provision.
- Outline the Academy's Rewards and Sanctions Ladder and Anti-Bullying ethos in the Home/School Agreement.
- We will use the curriculum, termly assemblies and Collective Worship to educate children and to create an anti-bullying ethos within the school.
- We celebrate Anti-Bullying week annually to promote Anti-Bullying.
- Ensure staff are vigilant and constantly look for signs of bullying.
- Ensure staff take reports of bullying seriously by reporting them onto HOY/SLT as appropriate.
- Use displays effectively to promote ethos within school, remind students of the channels for reporting bullying (including external agencies and helplines) and to celebrate achievements within school.
- Continue to make good use of our pupil 'Buddies' and 'Anti-bullying Ambassadors' to give students channels to report bullying via peers.
- Use Anti-Bullying boxes in each Form Room and Head of Year Notices as an anonymous channel for students to report bullying.
- Use our 'Pupil Mentors' to support students who we feel may be at risk of bullying.
- Use 'Restorative Justice' as one of a range of specific strategies designed to combat bullying.
- Involve parents and the school's PCSO/Police Liaison officer as appropriate.
- Use Bedford Borough's EHA protocol to support both aggressors and victims of bullying as appropriate.
- Running a School Council to allow nominated students the opportunity to represent the views of others on issues including bullying and general behaviour around school.
- Heads of Year carry out pupil discussions on a half termly basis to gain insights from a number of students across their year groups with regard to behaviour in and around school.
- Use a range of communications to present information relating to bullying and research to parents and other stakeholders.
- Employing a number of Lunchtime Supervisors who have annual reminders on how to report bullying to the appropriate members of the Middle Leadership and Senior Leadership Team.
- A number of clubs run during unstructured time which offer students an alternative to the playground.
- Having effective and organised duty teams to supervise the school during unstructured time such e.g. before and after school, during morning break.
- Ensuring staff are easily contactable to parents through email addresses available on the school's website.
- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents

- Parents will be included in the Anti-Bullying policy through consultation at Parents Forum.
- Pupils will be consulted about this policy and practices of the school through the school council and through regular pupil discussions.

Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The Head of Year/Designated Safeguarding Lead (DSL) or another member of leadership staff will interview/take statements from all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned in proportion to the issue
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is investigated as fully as is possible. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- Bullying incidents will be recorded by the school in accordance with existing procedures e.g., on the child's behaviour log. This will include recording appropriate details regarding decisions and action taken.

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation
- Take all available steps where possible to identify the person responsible. This may include: ▪ looking at use of the school systems; ▪ identifying and interviewing possible witnesses; ▪ Contacting the police, if necessary.

- Work with the individuals to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school searching and confiscation policy.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply;
 - providing advice on blocking or removing people from contact lists;
 - helping those involved to think carefully about what private information they may have in the public domain.

Supporting pupils

Pupils who have been bullied will be supported by:

- Reassuring the pupil and providing continuous pastoral support.
- Offering an immediate opportunity to discuss the experience with their teacher, the designated safeguarding lead, or a member of staff of their choice.
- Being advised to keep a record of the bullying as evidence and discuss how respond to concerns and build resilience as appropriate.
- Working towards restoring self-esteem and confidence.
- Providing ongoing support; this may include: working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Specialist Children's Services, or support through CAMH/CHUMS.

Pupils who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.
- Sanctioning, in line with school behaviour/discipline policy; this may include official warnings, detentions, removal of privileges (including online access when encountering cyberbullying concerns), periods of internal isolation and fixed-term suspensions or permanent exclusions.

Monitoring and Review

This policy is reviewed annually. However, should there be the necessity for immediate developments, the policy will be developed to reflect this. The school uses the guidance by the DFE, the updates from Bedford Borough Behaviour and Attendance Strategy, Bedford Borough Against Bullying Guidelines and audits to inform its action planning to prevent and tackle bullying.

All teaching and non-teaching staff are responsible for reporting bullying incidents to the appropriate members of staff. These are coordinated and analysed by senior staff to identify any patterns of bullying behaviour.
