This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff via e-mail and will be available on the shared drive and the school website.

## Roles and responsibilities overview

(GR 2)

The **head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/ assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting published JCQ regulations and awarding body requirements.

**The examinations officer** is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

**The head of centre must not normally appoint themselves as the examinations officer.** A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan.

### Head of centre responsibilities

(GR 1)

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of the current General Regulations for Approved Centres (GR) booklet. In particular, heads of centre must familiarise themselves with paragraphs 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to actions raised by the JCQ Centre Inspection Service. Failure to do so could result in the centre not receiving or being able to access question papers and other confidential assessment materials. Ultimately, awarding bodies could withdraw approval of the centre.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments.

(ICE Introduction) **It is the responsibility of the head of centre to ensure that all staff comply with the instructions in the Instructions for conducting examinations document.** Failure to do so may constitute malpractice as defined in the JCQ document Suspected Malpractice: Policies and Procedures, 1 September 2024 to 31 August 2025.

GR 5.1)

The head of centre must ensure:

- compliance with the published JCQ regulations and awarding body requirements to deliver the qualification(s)
- appropriate controls are in place which ensure accurate data is submitted to the awarding bodies by the required deadlines, e.g. entries, internally assessed marks
- all reasonable steps are taken to respond promptly to requests for information or documentation made by an awarding body or regulatory authority

### **Head of centre**

- Understands the contents, refers to and directs relevant centre staff to annually updated JCQ documents including:
  - General Regulations for Approved Centres (GR)
  - Instructions for conducting examinations (ICE)
  - Access Arrangements and Reasonable Adjustments (AARA)
  - Suspected Malpractice - Policies and Procedures (SMPP)
  - Instructions for conducting coursework (ICC)
  - Instructions for conducting non-examination assessments (NEA)
  - A guide to the special consideration process (SC)
- Ensures the centre has appropriate accommodation to support the size of the cohorts being taught including appropriate accommodation for candidates requiring access arrangements and/or practical assessments
- Where/if using a third party to deliver any part of a qualification (including its assessments) at the centre:
  - maintains oversight of, and responsibility for, the delivery of the qualification in accordance with JCQ regulations and awarding body requirements
  - has in place a written agreement with the third party (unless exclusions apply) to ensure there is a shared understanding of the arrangement and will manage the risk of failure by the third party to deliver the expected service
  - ensures that a copy of the written agreement is available for inspection if requested by the awarding body
- Ensures that relevant members of staff respond promptly to actions raised by the JCQ Centre Inspection Service, understanding that failure to do so could result (see National Centre Number Register and other information requirements section)
- Ensures that the centre promptly reports any incidents to the relevant awarding body/bodies which might compromise any aspect of assessment delivery such as a cyber-attack

- Ensures other relevant centre staff where they may be involved in the receipt and dispatch of confidential exam materials are briefed on the requirements for maintaining the integrity and confidentiality of the exam materials
- Ensures members of centre staff do not forward emails and letters from awarding body or JCQ personnel without prior consent to third parties or upload such correspondence onto social media sites and applications (including third party applications)
- Ensures members of centre staff do not advise parents/candidates to contact awarding bodies/JCQ directly nor provide them with the names, addresses and contact details (including email addresses) of examiners, moderators, external verifiers and any other awarding body examining/assessment personnel/JCQ personnel

## **Resilience and contingency arrangements**

(GR 3.16-19)

The centre must ensure they are familiar with the regulators' guidance on ensuring resilience in the qualifications system. Centres should consider putting in place a process for gathering evidence of candidate performance in line with the published guidance.

The centre must have an up to date written contingency plan.

The contingency plan must cover all aspects of examination/assessment administration and delivery. Senior leaders must have robust contingency arrangements in place that will minimise the risk to examination/assessment administration and delivery and any adverse impact on candidates.

The plan must cover the following scenarios:

- the head of centre, relevant senior leader(s) with oversight of examination and assessment administration, SENDCo, examinations officer or any other key staff essential to the examination process being absent at a critical stage of the examination cycle
- the potential impact of other events such as flooding which could lead to all or parts of the centre becoming unavailable
- potential issues with the centre's IT systems.

As part of their contingency plan centres must identify an alternative site if examinations cannot be conducted at the registered address. Larger centres may require more than one potential alternative site or different sites for different Year Groups.

The centre must have at least one senior member of staff (senior designated contact) who is available to manage emergency requests from awarding bodies that are results related during the summer holidays. However, a number of contacts can be provided to reduce the risk of this falling on one individual throughout the summer holidays.

The centre must ensure that candidates' work is backed-up and should consider the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up. Centres must implement appropriate security arrangements which protect candidates' work in the event of IT system corruption and cyber-attacks.

## **Cyber security**

(GR 3.20-21)

The head of centre must ensure there are procedures in place to maintain the security of user accounts by:

- providing training for authorised staff on the importance of creating strong unique passwords and keeping all account details secret
- providing training for staff on awareness of all types of social engineering/ phishing attempts

- enabling additional security settings wherever possible
- updating any passwords that may have been exposed
- setting up secure account recovery options
- reviewing and managing connected applications
- monitoring accounts and regularly reviewing account access, including removing access when no longer required
- ensuring authorised members of staff securely access awarding bodies' online systems in line with awarding body regulations regarding cyber security and the JCQ document *Guidance for centres on cyber security*  
Authorised staff will have access, where necessary, to a device which complies with awarding bodies' multi-factor authentication (MFA) requirements.
- reporting any actual or suspected compromise of an awarding body's online systems immediately to the relevant awarding body

## **Recruitment, selection, training and support**

It is the responsibility of the **head of centre** to ensure that the centre:

- Retains a workforce of an appropriate size and competence, including sufficient managerial and other resource, to undertake the delivery of the qualification as required by an awarding body. This includes taking reasonable steps to ensure occupational competence where this is required for the assessment of specific qualifications
- Provides fully qualified teachers to mark non-examination assessments, and/or fully qualified assessors for the verification of centre-assessed components
- Ensures that teaching staff do not use artificial intelligence (AI) as the sole means of marking candidates' work
- Enables the relevant senior leader(s), the examinations officer (EO) and the SENDCo to receive appropriate training and support in order to facilitate the effective delivery of examinations and assessments within the centre, and ensure compliance with the published JCQ and awarding body regulations

- Ensures that the examinations officer understands relevant awarding body and JCQ documentation and has sufficient time to perform their role

(JCQ Published Start Times are 9am and 1.30pm).

For examinations that last less than one hour, a candidate will be considered very late if they arrive after the awarding body's published finishing time for the examination.

Where a candidate is going to arrive "very late" for an exam, the parent/carer will be advised by the Exams Officer as quickly as possible to keep the candidate under supervision at all times until they are handed over to a member of centre staff.

Parents/Carers will also be instructed to:

- Immediately take away any internet-enabled devices (e.g., mobile phone, tablet, smart watch, laptop, PC etc.)
- Personally drive or escort the candidate from home to school, using a private vehicle or taxi and avoiding public transport
- Ensure that the candidate is fully supervised as early as possible and preferably from the published starting time of the exam, until the candidate is handed over to a member of staff at main reception – the parent/carer should make a written note of what time the candidate is supervised from.

Both the candidate and the parent/carer who has supervised them will be asked to sign a letter confirming that the above measures have been put in place. Goldington Academy will also ask the parent/carer and the candidate to provide handwritten, signed statements giving details of the time the candidate was supervised from and by whom, and the reason for their late arrival.

Candidates and their parents/carers should be clear that the awarding body may not accept their work.

### **Exams officer**

- Dispatches scripts and accompanying attendance registers to the address provided by the examining boards on the same day of the examination where possible
- Will plan to despatch scripts from the morning and afternoon sessions of Friday 24 May 2024 that afternoon. If this is not possible, scripts must be retained in secure storage and be despatched as early as possible on Tuesday 28 May 2024

- Ensures this second pair of eyes check (which takes place in the secure room if a question paper packet has to be split or in the designated exam room if not) is recorded

- Ensures the centre's policy on candidates leaving the exam room temporarily is clearly communicated to candidates

### **Food and drink in exam rooms policy**

A bottle of water may be allowed in the examination room at the discretion of the EO. However, this is on the condition that any water brought into the examination room by the candidate is free from packaging and all labels are removed from drink containers. The centre stipulates that the drink must be water only.

Exceptions to this rule apply in the case of medical conditions. Each case will be reviewed separately by the EO and all food and drink will be free from wrappers and

checked prior to each exam by the EO or Lead Invigilator. Candidates requiring food and drink will be clearly identifiable in the exam room.

### **Policy on candidates leaving the exam room temporarily**

Toilet breaks are not allowed unless a toilet pass is held. There will be some discretion allowed by invigilators, but time will be lost and not added back should a student leave the exam room for the toilet. Students will be accompanied by an invigilator.

Should a student be unwell, they will be allowed to make up any time needed.

*Candidates who are allowed to leave the examination room temporarily must be accompanied by a member of centre staff. This must not be the candidate's subject teacher or a subject expert for the examination in question. Those candidates may be allowed extra time at the discretion of the centre to compensate for their temporary absence. [ICE 23]*

### **Exams officer**

- Ensures exam rooms are set up and conducted as required in the regulations
- Provides invigilators with appropriate resources to effectively conduct exams
- Briefs invigilators on exams to be conducted on a session-by-session basis (including the arrangements in place for any transferred candidates and access arrangement candidates)

## **Managing behaviour in exam rooms procedure**

The head of centre has the authority to remove a candidate from the examination room, but should only do so if the candidate would disrupt others by remaining in the room.

Candidates will be sanctioned according to the centre's Internal Behaviour Policy (Policy available on the schools website and T-Drive)

The EO must ensure that any cases of suspected malpractice (by centre staff, candidates, and invigilators) are investigated and reported to the awarding body as required.

The head of centre will supervise personally, and as directed by the awarding body, all investigations resulting from an allegation of malpractice; and ensure that if it is necessary to delegate an investigation to a senior member of centre staff, the senior member of centre staff that is chosen is independent, and not connected to the department or candidate involved in the suspected malpractice.

The head of centre will pass on to the individuals concerned, any warnings or notifications of penalties, and ensure their compliance with any requests made by the awarding body as a result of a malpractice case.

Communications relating to the decisions taken by the awarding body in cases of malpractice will always be addressed to the head of centre, except when the head of centre or management is under investigation. When the head of centre or management is under investigation, communication will be with the Chair of Governors, Local Authority officials or other appropriate governance authorities, as deemed appropriate.

Awarding bodies may communicate directly with members of centre staff who have been accused of malpractice if the circumstances warrant this, e.g. the staff member is no longer employed or engaged by the centre.

Awarding bodies will only communicate directly with a candidate or the candidate's representative when either the candidate is a private candidate or the awarding body has chosen to communicate directly with the candidate due to the circumstances of the case. (For example, there is a contradiction in the evidence provided by the candidate and the centre, or the centre is suspected of non-compliance with the regulations.) In such cases the awarding body will advise the head of centre in writing that it proposes to deal directly with the candidate. A head of centre once advised by the awarding body should not ordinarily communicate further with the candidate.
