

## Privacy notice for pupils

You have a legal right to be informed about how our school uses any personal information that we hold about you. To comply with this, we provide a 'privacy notice' to you where we are processing your personal data.

This privacy notice explains how we collect, store and use personal data about you.

We, Goldington Academy, are the 'data controller' for the purposes of data protection law.

### The personal data we hold

We hold some personal information about you to make sure we can help you learn and look after you at school.

For the same reasons, we get information about you from some other places too – like other schools, the local council and the government.

This information includes:

- Your contact details
- Your test results
- Your attendance records
- Your characteristics, like your ethnic background or any special educational needs
- Any medical conditions you have
- Details of any behaviour issues or exclusions
- Photographs
- CCTV images

### Why we use this data

We use this data to help run the school, including to:

- Get in touch with you and your parents when we need to
- Check how you're doing in exams and work out whether you or your teachers need any extra help
- Track how well the school as a whole is performing
- Look after your wellbeing

**Artsmark  
Gold Award**  
Awarded by Arts  
Council England

## **Our legal basis for using this data**

We will only collect and use your information when the law allows us to. Most often, we will use your information where:

- We need to comply with the law
- We need to use it to carry out a task in the public interest (in order to provide you with an education)

Sometimes, we may also use your personal information where:

- You, or your parents/carers have given us permission to use it in a certain way
- We need to protect your interests (or someone else's interest)

Where we have got permission to use your data, you or your parents/carers may withdraw this at any time. We will make this clear when we ask for permission, and explain how to go about withdrawing consent.

Some of the reasons listed above for collecting and using your information overlap, and there may be several grounds which mean we can use your data.

## **Collecting this information**

While in most cases you, or your parents/carers, must provide the personal information we need to collect, there are some occasions when you can choose whether or not to provide the data.

We will always tell you if it's optional. If you must provide the data, we will explain what might happen if you don't.

## **How we store this data**

We will keep personal information about you while you are a pupil at our school. We may also keep it after you have left the school, where we are required to by law.

If you would like to make a request, please contact our data protection officer.

## **Data sharing**

We do not share personal information about you with anyone outside the school without permission from you or your parents/carers, unless the law and our policies allow us to do so.

Some of this information is then stored in the National Pupil Database, which is managed by the Department for Education and provides evidence on how schools are performing. This, in turn, supports research.

The database is held electronically so it can easily be turned into statistics. The information it holds is collected securely from schools, local authorities, exam boards and others.

The Department for Education may share information from the database with other organisations which promote children's education or wellbeing in England. These organisations must agree to strict terms and conditions about how they will use your data.

You can find more information about this on the Department for Education's webpage on [how it collects and shares research data](#).

You can also [contact the Department for Education](#) if you have any questions about the database.

### **Youth support services**

Once you reach the age of 13, we are legally required to pass on certain information about you to Bedford Borough, as it has legal responsibilities regarding the education or training of 13-19 year-olds.

This information enables it to provide youth support services, post-16 education and training services, and careers advisers.

Your parents/carers, or you once you're 16, can contact our data protection officer to ask us to only pass your name, address and date of birth to Bedford Borough.

### **Transferring data internationally**

Where we share data with an organisation that is based outside the European Economic Area, we will protect your data by following data protection law.

## Privacy Notice for Job Applicants

Under data protection law, individuals have a right to be informed about how the school uses any personal data we hold about them. We comply with this right by providing ‘privacy notices’ (sometimes called ‘fair processing notices’) to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals applying for jobs at our school.

We, Goldington Academy, Haylands Way, Bedford, MK41 9BX, are the ‘data controller’ for the purposes of data protection law.

Our data protection officer is Chris Beeden (see ‘Contact us’ below).

Successful candidates should refer to our privacy notice for the school workforce for information about how their personal data is collected, stored and used.

### The personal data we hold

We process data relating to those applying to work at our school. Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Contact details
- Copies of right to work documentation
- References
- Evidence of qualifications
- Employment records, including work history, job titles, training records and professional memberships

We may also collect, store and use information about you that falls into “special categories” of more sensitive personal data. This includes information about (where applicable):

- Race, ethnicity, religious beliefs, sexual orientation and political opinions
- Disability and access requirements

### Why we use this data

The purpose of processing this data is to aid the recruitment process by:

- Enabling us to establish relevant experience and qualifications

- Facilitating safe recruitment, as part of our safeguarding obligations towards pupils
- Enabling equalities monitoring
- Ensuring that appropriate access arrangements can be provided for candidates that require them

### **Our lawful basis for using this data**

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else's interests)
- We have legitimate interests in processing the data – for example, where:

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the school's use of your data.

### **Collecting this information**

While the majority of the information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

### **How we store this data**

Personal data we collect as part of the job application process is stored in line with our data protection policy

When it is no longer required, we will delete your information in accordance with our record retention schedule

## **Data sharing**

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with data protection law), we may share personal information about you with:

- *Our local authority – to meet our legal obligations to share certain information with it, such as shortlists of candidates for a headteacher position*
- *Suppliers and service providers – to enable them to provide the service we have contracted them for, such as HR and recruitment support*
- *Professional advisers and consultants*
- *Employment and recruitment agencies*

## **Transferring data internationally**

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.
