

Parents of Year 7, 8 & 9 students

17 May 2021

Dear Parent/Carer

At the moment we are exploring the possibility of running a one-week summer school for your child in August of this year.

The summer school will take place in school and it is likely it would include activities of an English, maths, art and PE nature. The cost would be free for your child and the hours of participation are likely to be approximately 9.00 am to 3.00 pm each day (Monday to Friday). Your child would need to bring a packed lunch, and more information will be available in the weeks and months to come if we find there is an appetite for a summer school to run.

At the moment we would ask that you answer the following questions via the link below:

It would very much aid our planning if you are able to submit your response by Friday 28 May.

Yours sincerely
